

## Request for Proposal

### **WIOA AND TANF YDP YOUTH PROGRAM SERVICES**

#### **RFP Questions and Answers**

1. In the WIOA and TANF Youth services RFP there are 2 due dates listed. The cover page notes 3/6 as the due date but the timeline on page 18 states 3/9. Please confirm which is correct.

**The correct submission date is Monday, March 9, 2026. The RFP has been updated and uploaded on [www.lvwb.org](http://www.lvwb.org) under the WIOA and TANF YDP Youth Program Services RFP section.**

2. Regarding the submission of a Word version of the proposal, are you requesting just the application (provided Attachment 1) in Word, or the entire proposal including the excel budget, required attachments and PDF forms to also be converted to a Word document for submission?

**The Word version of the proposal must include the attachments that listed under Section (f) Proposal Order of Documents. Attachment 2 Budget Forms may be provided separately in the original Microsoft Excel format but a placeholder page must be included in the RFP Response Application after Attachment 1 to indicate that Attachment 2 Budget Forms has been submitted as the original Microsoft Excel document.**

3. After reviewing the Youth RFP, and understanding the various WIOA OSY service options, if we are proposing integrated services for multiple options, would it be permissible to submit one proposal (with each option clearly identified throughout) for the proposed integrated services that would impact multiple options to provide the best clarity on the proposed scope of services?

**~~Yes, one proposal may be submitted under WIOA OSY Option 4, Expanding Services.~~**

**Revised: No, a proposal must be submitted for each option you wish to propose services for.**
